THE HOME OF THE SUN GODDESS

THE LEGEND OF SOLIS

Born from the heart of the Sun,
Solis, the Goddess of Light,
witnessed the beauty of human connection.

She saw laughter shared, stories told,
and moments that became memories.
Determined to protect these moments,
she descended to the mountains of Lebanon
and found a place suspended between
earth and sky.

Captivated by its spirit and blessed
by nature, she chose it as her sanctuary.

Over time, it became known as SOLIS.
A place for celebration,
gastronomy, music, and connection,
all beneath her eternal light.

where time slows, hearts gather,
and stories continue.
